Yes please, if you are available. The call in info is 877-336-1829, passcode 9174532. The call is 4:30 east coast time. We'll distribute an agenda we're finalizing with FAA shortly.

I put Region 9 letterhead on the letter to not hamstring the Administrator with this non-policy reply. Also, there were a couple of edits and I added the following:

“We regret the late start in this attempt to secure a programmatic agreement as we normally prefer to begin work in earnest at the Draft Environmental Impact stage.”

Today, at 4:30est we will have a call with the FAA and the effect of the FAA may be a larger factor in the schedule than the resolution of the PA.

I have attached a draft response to Mayor Hannemann's letter of December 11th (also attached). The response does not address the mayor's letter issue-by-issue, but I do not believe that is necessary. The purpose of the response is to advise the mayor that his prediction that all outstanding issues will be resolved by the end of the month is unlikely to be realized. The Administrator is scheduled to be in the office on Tuesday. Please provide views and edits, if any, by close of business on

Monday, the 21st. Thank you.
